Open to relocation — Qatar (from December 2026)

PROFESSIONAL SUMMARY

Graphic Designer and Social Media Manager with experience in social media management, digital marketing, and visual content creation. Over two years of design experience, mostly for clients in Gulf countries, including Arabic typography, Arabic content, logos, and flyers. Skilled in promotional content and Meta Ads, with experience attracting customers quickly through engaging content. Currently pursuing a BSc (Hons) in Multimedia Technology at Kingston University, building on a background in Software Engineering.

PROFESSIONAL EXPERIENCE

Freelance Graphic Design Specialist (AI Training) | Human Signal, United States (Remote) *June 2026 - Present*

- Task-based freelance role on an AI training project, paid per completed task
- Review designs that contain errors, from minor inconsistencies to major flaws
- Recreate each design in a different template while keeping the content, typography, illustrations, and design elements exactly the same as the original
- Check every recreated design against the original for accuracy and visual consistency
- Work independently, follow project guidelines, and manage task deadlines

Digital Marketing Executive | Savings Supermarket, Sri Lanka *June 2025 - May 2026*

- Managed the supermarket's social media accounts, from content planning to publishing
- Created promotional posts and videos for offers, seasonal campaigns, and products
- Boosted the page and promotional posts with Meta Ads to increase reach and visibility
- Helped attract new customers in a short time through engaging promotional content and campaign ideas
- Maintained consistent branding across all digital platforms
- Monitored content performance and adjusted content accordingly

Graphic Designer & Social Media Coordinator | CDOTT Inc. *January 2023 - June 2025*

- Designed for clients mostly based in Gulf countries, with a strong focus on Arabic typography
- Created Arabic content, logos, flyers, and other promotional materials to client and brand requirements
- Managed client social media accounts and coordinated content publishing
- Worked directly with clients on design requirements and revised designs based on their feedback
- Maintained design quality and consistency across all projects
